Computational Mathematics Seminar Series

Computational Mathematics Research Summaries

Blaise Bourdin, Susanne Brenner, Li-yeng Sung, Shawn Walker, Xiaoliang Wan,
Hongchao Zhang

Department of Mathematics, CCT

Johnston Hall 338
September 06, 2011 - 03:30 pm

Abstract:

Faculty members in the computational mathematics group (Bourdin, Brenner, Sung, Walker, Wan and Zhang) will give short presentations on their current research.

Refreshments will be served.

This lecture has a reception.
