**Success & Failure Baking Apps with Apple's iOS****Timothy Place, Cycling 74**

Research Engineer

Johnston Hall 338  
February 21, 2013 - 03:00 pm**Abstract:**

First hand experience with the platform's challenges and triumphs in the digital media arts realm.

**Speaker's Bio:**

Timothy Place is currently designing software for Cycling '74, running Electrotap, creating interactive music and art, leading the open-source Jamoma project, building furniture with hand tools, enjoying time with his family, and riding thousands of miles on his bicycle. Through 74 Objects he takes on select consulting opportunities and continues to create interesting things.
