Digital Object Identifier

10.5281/zenodo.3350842

Optional. Did your publisher already assign a DOI to your upload? If not, leave the field empty and we will register a new DOI for you. A DOI allows others to easily and unambiguously cite your upload. Please note that it is NOT possible to edit a Zenodo DOI once it has been registered by us, while it is always possible to edit a custom DOI.

Reserve DOI ✓

Publication date *

2019-03-31

Required. Format: YYYY-MM-DD. In case your upload was already published elsewhere, please use the date of first publication.

Description *

The Einstein Toolkit is a community-driven software platform of core computational tools to advance and support research in relativistic astrophysics and gravitational physics.

Required.

Version

The "Proca" release, ET_2019_03✓

Optional. Mostly relevant for software and dataset uploads. Any string will be accepted, but semantically-versioned tag is recommended. See semanticver.org for more information on semantic versioning.

Language

English✓

Optional. Primary language of the record. Start by typing the language's common name in English, or its ISO 639 code (two or three-letter code). See ISO 639 language codes list for more information.

Keywords

black holenumerical relativityneutron star

Additional notes

Optional.

License

required

Access right *

Open AccessEmbargoed AccessRestricted AccessClosed Access

Required. Open access uploads have considerably higher visibility on Zenodo.

License *

GNU Lesser General Public License v2.1 or later

Required. Selected license applies to all of your files displayed on the top of the form. If you want to upload some of your files under different licenses, please do so in separate uploads. If you cannot find the license you're looking for, include a relevant LICENSE file in your record and choose one of the Other licenses available (Other (Open), Other (Attribution), etc.). The supported licenses in the list are harvested from opendefinition.org and spdx.org. If you think that a license is missing from the list, please contact us.

Funding

recommended

Zenodo is integrated into reporting lines for research funded by the European Commission via OpenAIRE. Specify grants which have funded your research, and we will let your funding agency know!

Grants

European Commission (EU)

Start typing a grant number, name or abbreviation...

Optional. OpenAIRE-supported projects only. For other funding acknowledgements, please use the Additional Notes field. Note: a human Zenodo curator will need to validate your upload - you may experience a delay before it is available in OpenAIRE.
